PLACECARDS

Get your holiday table ready for the season with these table placecards.

DIRECTIONS:

1. Print out the placecards. Use the heaviest paper your printer can take. Make sure everyone will get one! If you have a color printer, great! If not, color in the placecards with markers or crayons after you print them!

2. Carefully cut out the placecards.

3. Fold in half, lengthwise.

4. Fill in the names of your guests.

5. Set them at the table so everyone knows where they should sit.

6. Bon Apetit!
